S-Network Global Water Indexes Is New Name for Janney Global Water Indexes following Rebranding

New York, NY, November 30, 2010 – Effective December 31, 2010 S-Network Global Water IndexesSM will be the new name for Janney Global Water IndexesSM. The S-Network Global Water IndexesSM are prominent global benchmarks for measuring the performance of stocks worldwide materially engaged in the global water industry.

The indexes are impartial and rules based and the construction and maintenance rules will remain unchanged. Accordingly, all historic data and information about the indexes will also be unchanged.

The website address will be amended to reflect the change of name to www.snetglobalwaterindexes.com. The S-Network Global Water IndexesSM will retain the same ticker symbols under their new names.

The S-Network Global Water IndexesSM are capitalization-weighted, float-adjusted indexes of the most prominent water stocks in the world. To be included in the S-Network Global Water IndexesSM, stocks must pass multiple screens, including for capitalization, float, exchange listing, share price and turnover.

Detailed information, including constituent data, rules and price information, on the S-Network family of Global Water Indexes is available at www.snetglobalwaterindexes.com. Data is also available through most vendors of financial data.
